

RESULTS OF BUNDES LEAGUE MATCHES 17 SEPTEMBER

Marks Park inflicted the first defeat of the season to Killarney and virtually handed the title to Bedfordview. In a tight encounter, the closest match of the season, Marks Park edged home 10-9 by virtue of the fact that they all three double. This gives Bedfordview a lead of nine points going into the final match against Killarney, and to overturn that sort of lead, Killarney can hardly afford to drop more than two matches.

Bryanston beat the German club to move above them in the table, and off the bottom. With German hosting Marks Park it seems certain that they will end up with the wooden spoon.

In the ladies, with Bryanston, the title holders, having a bye and Marks Park having finished their matches, the latter could rue having dropped one match against Boskruin. It means that Bryanstone need 12 points to clinch the title. They are playing Bedfordview, who gained maximum points against Glenvista to condemn them to the foot of the table, and likely to end the season no higher. However if they beat Boskruin by six points or more, then the position reverses.

Bedfordview need ten points from their match against Bryanston to claim the title so the final weekend, amongst the ladies at any rate, is set to be an exciting time on the Ellis Park courts as top and bottom finishing positions are both still up in the air.
